1. Organisation

The JPMorgan ETFs (Ireland) ICAV (the "Fund" or the "ICAV") was registered in Ireland pursuant to the Irish Collective Asset-management Vehicles Act 2015 on 18 July 2017 under registration number C171821 and is authorized by the Central Bank of Ireland (the "Central Bank" or "CBI") as an Undertaking for Collective Investments in Transferable Securities ("UCITS") pursuant to the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations, 2011 (as amended) ("UCITS Regulations").

The ICAV has appointed JPMorgan Asset Management (Europe) S.à r.l., (the "Management Company") as its management company pursuant to the management agreement signed on 28 September 2017. The Management Company was incorporated in Luxembourg on 20 April 1988. The Management Company is regulated by the Commission de Surveillance du Secteur Financier in Luxembourg and authorised to act as a management company to UCITS and as an Alternative Investment Fund Manager ("AIFM").

The objective of the ICAV is to invest in transferable securities in accordance with the UCITS Regulations. The ICAV has been structured as an umbrella fund with segregated liability between sub-funds (each a "Sub-Fund", collectively the "Sub-Funds"). Each Sub-Fund will bear its own liabilities, under applicable Irish law, none will have access to the assets of a Sub-Fund in satisfaction of a liability of any other Sub-Fund. The Directors may establish Sub-Funds that will seek to track an Index ("Index Tracking Sub-Funds") or will be managed actively by the Management Company to seek to achieve a specific investment objective, which may include outperforming an Index ("Actively Managed Sub-Funds").

The portfolio of assets maintained for each Sub-Fund will be invested in accordance with the investment objectives and policies applicable to such Sub-Fund as specified in the Prospectus and Supplements. Shares may be divided into different Share Classes to accommodate, amongst other things, different dividend policies, charges, fee arrangements (including different fee structures), currencies, or to provide for foreign exchange hedging in accordance with the policies and requirements of the Central Bank from time to time.

As at 30 June 2026, there were sixty-one (31 December 2025: fifty-eight) registered Sub-Funds of which the following are registered in Switzerland:

2. Accounting policies

Basis of preparation

The financial statements are prepared in accordance with International Accounting Standard ("IAS") 34 (Interim Financial Reporting) as adopted by the European Union and applied in accordance with the provisions of the ICAV Act 2015, the Central Bank (Supervision and Enforcement) Act 2013 Section 48 (1) UCITS Regulations 2015 (the "Central Bank Regulations"), and the UCITS Regulations. They should be read in conjunction with the annual report and audited financial statements for the year ended 31 December 2025, which were prepared in accordance with International Financial Reporting Standards ("IFRS") as adopted by the European Union.

The financial statements are prepared on a going concern basis and on a historical cost basis, as modified by the revaluation of financial assets and financial liabilities classified at fair value through profit or loss, except for the Green Social Sustainable Bond Active UCITS ETF which was liquidated on 29 May 2026. The Financial Statements for this Sub-Fund have been prepared on a non-going concern basis of accounting.

The period-end valuation as of 30 June 2026 was completed as at 30 June 2026 which was the last business day of the period. The year-end valuation as of 31 December 2025 was completed as at 31 December 2025 which was the last business day of the year.

The preparation of the financial statements in conformity with IAS 34 requires the Board to make estimates, assumptions and judgements that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Although these estimates, assumptions and judgements are based on management's best knowledge of current events and actions, actual results may ultimately differ from those estimates, assumptions and judgements.

The accounting policies used in these unaudited interim financial statements are consistent with those used in the last audited financial statements.

New Standards and amendments to existing standards

(i) Standards and amendments to existing standards effective 1 January 2026:

Amendments to the Classification and Measurement of Financial Instruments - Amendments to IFRS 9 and IFRS 7 (effective for annual periods beginning on or after 1 January 2026).

The International Accounting Standards Board (the "IASB") issued targeted amendments to IFRS 9 and IFRS 7 to respond to recent questions arising in practice, and to include new requirements not only for financial institutions but also for corporate entities. Among other amendments, the IASB clarified the date of recognition and derecognition of some financial assets and liabilities, with a new exception for some financial liabilities settled through an electronic cash transfer system. This amendment had no material effect on the financial statements of the ICAV.

There are no other standards, amendments to standards or interpretations that are effective for annual periods beginning on 1 January 2026 that have a material effect on the financial statements of the ICAV.

(ii) New standards, amendments and interpretations effective after 1 January 2026 and have not been early adopted:

A number of new standards, amendments to standards and interpretations are effective for annual periods beginning after 1 January 2026, and have not been early adopted in preparing these financial statements.

The ICAV's assessment of the impact of these new standards and amendments is set out below:

IFRS 18 Presentation and Disclosure in Financial Statements (effective for annual periods beginning on or after 1 January 2027)

The IASB issued the new standard on presentation and disclosure in financial statements, which replaces IAS 1, with a focus on updates to the statement of profit or loss.

2. Accounting policies (continued)

Basis of preparation (continued)

New Standards and amendments to existing standards (continued)

(ii) New standards, amendments and interpretations effective after 1 January 2026 and have not been early adopted: (continued)

IFRS 18 Presentation and Disclosure in Financial Statements (effective for annual periods beginning on or after 1 January 2027) (continued)

The key new concepts introduced in IFRS 18 relate to:

- the structure of the statement of profit or loss with defined subtotals;
- the requirement to determine the most useful structured summary for presenting expenses in the statement of profit or loss;
- required disclosures in a single note within the financial statements for certain profit or loss performance measures that are reported outside an entity's financial statements (that is, management-defined performance measures); and
- enhanced principles on aggregation and disaggregation which apply to the primary financial statements and notes in general.

The ICAV is currently still assessing the effect of the forthcoming standards and amendments.

None of the new standards or amendments to standards are expected to have a material effect on the financial statements of the ICAV.

6. Share capital

The authorised share capital of the ICAV is 500,000,000,002 Shares of no par value divided into 2 Subscriber Shares of no par value and 500,000,000,000 shares of no par value. The Directors are empowered to issue up to all of the Shares of the ICAV on such terms as they think fit. The Subscriber Shares entitle the holders to attend and vote at any general meetings of the ICAV but do not entitle the holders to participate in the profits or assets of the ICAV except for a return of capital on a winding-up. The Shares entitle the holders to attend and vote at general meetings of the ICAV and (other than the Subscriber Shares) to participate equally in the profits and assets of the Sub-Fund to which the Shares relate, subject to any differences between fees, charges and expenses applicable to different Share Classes. The ICAV may from time to time by ordinary resolution increase its capital, consolidate the Shares or any of them into a smaller number of Shares, sub-divide the Shares or any of them into a larger number of Shares or cancel any Shares not taken or agreed to be taken by any person. The ICAV may by special resolution from time to time reduce its share capital in any way permitted by law. At a meeting of Shareholders, on a show of hands, each Shareholder shall have one vote and, on a poll, each Shareholder shall have one vote for each whole Share held by such Shareholder.

The capital of the ICAV is represented by the net assets attributable to holders of shares. The amount of net assets attributable to holders of shares can change significantly on a daily basis as the ICAV is subject to daily subscriptions and redemptions at the discretion of shareholders. The ICAV's objective when managing capital is to safeguard the ICAV's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain a strong capital base to support the development of the investment activities of the ICAV.

7. Net asset value per share

The net asset value per share (the dealing NAV) is calculated by dividing the NAV of the portfolio attributable to each share class by the shares in issue at the Statement of Financial Position date, as detailed in the table below.

8. Fair value estimation

The Sub-Funds are required to classify fair value measurements using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

- Level 1: Inputs that are quoted market prices (unadjusted) in active markets for identical instruments;
- Level 2: Inputs other than quoted prices included within Level 1 that are observable either directly (i.e. as prices) or indirectly (i.e. derived from prices). This category includes instruments valued using: quoted market prices in active markets for similar instruments; quoted prices for identical or similar instruments in markets that are considered less than active; or other valuation techniques in which all significant inputs are directly or indirectly observable from market data; and
- Level 3: Inputs that are unobservable. This category includes all instruments for which the valuation technique includes inputs not based on observable data and the unobservable inputs have a significant effect on the instrument's valuation. This category includes instruments that are valued based on quoted prices for similar instruments but for which significant unobservable adjustments or assumptions are required to reflect differences between the instruments.

The level in the fair value hierarchy within which the fair value measurement is categorised in its entirety is determined on the basis of the lowest level input that is significant to the fair value measurement. For this purpose, the significance of an input is assessed against the fair value measurement in its entirety. If a fair value measurement uses observable inputs that require significant adjustment based on unobservable inputs, that measurement is a Level 3 measurement. Assessing the significance of a particular input to the fair value measurement in its entirety requires judgement, considering factors specific to the asset or liability.

The determination of what constitutes 'observable' requires significant judgement by the ICAV. The ICAV considers observable data to be market data that is readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

The following table analyses within the fair value hierarchy the Sub-Funds' financial assets and liabilities measured at fair value at 30 June 2026:

All other current assets and current liabilities included in the Statement of Financial Position as at 30 June 2026 and 31 December 2025 are carried at values that reflect a reasonable approximation of their fair value.

As at 30 June 2026 and 31 December 2025, cash, bank overdraft and amounts due from brokers are classified as Level 1. Cash equivalents are classified as Level 2. All other assets and liabilities not measured at fair value but for which fair value is disclosed are classified as Level 2.

9. Taxation of the ICAV

The ICAV is an investment undertaking as defined in Section 739B of the Taxes Consolidation Act 1997, as amended ("TCA"). The ICAV will not be liable to Irish tax in respect of its income and gains, other than on the occurrence of a chargeable event.

Generally a chargeable event arises on any distribution, redemption, repurchase, cancellation, transfer of shares or on the ending of a 'Relevant Period'. A 'Relevant Period' being an eight year period beginning with the acquisition of the shares by the shareholder and each subsequent period of eight years beginning immediately after the preceding Relevant Period.

No Irish tax will arise on the ICAV in respect of chargeable events in respect of:

a) A shareholder who is neither Irish resident nor ordinarily resident in Ireland for tax purposes, at the time of the chargeable event, provided appropriate valid declarations in accordance with the provisions of the Taxes Consolidation Act, 1997, as amended, are held by the ICAV; or the ICAV has been authorised by the Irish Revenue to make gross payments in the absence of appropriate declarations; and

b) Certain exempted Irish tax resident shareholders who have provided the ICAV with the necessary signed statutory declarations.

Dividends, interest and capital gains (if any) received on investments by the ICAV may be subject to taxes imposed by the country from which the investment income/gains are received and such taxes may not be recoverable by the ICAV or its shareholders.

The Directors intend to seek UK reporting fund status for all Share Classes. For further information on UK reporting fund status including details of the reportable income of each relevant Share Class (available annually within 6 months of the end of the relevant reporting period), please go to the Website.

Pillar Two

The Organisation for Economic Co-operation and Development ("OECD") released Pillar Two Model Rules, which target a global 15% minimum tax rate. The OECD continues to release additional guidance on interpretation and application of Pillar Two, and many countries are passing and updating legislation as well as local guidance to comply with Pillar Two. Based on the current available legislation and guidance, the Fund has concluded there will be no material impact on income taxes with respect to Pillar Two for the six month period ended 30 June 2026 and 30 June 2025. This is because the Fund is widely held and is typically a portfolio investor holding minority stakes in portfolio companies and hence does not prepare consolidated accounts with those companies. The Fund will also qualify as an Investment Fund Excluded Entity for the purpose of the Pillar Two Model Rules. The Fund will continue to evaluate the potential future impacts of Pillar Two and will continue to review and monitor the issuance of additional guidance.

10. Related party transactions and holdings

Related party disclosures

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the party in making financial or operational decisions. In the opinion of the Directors, the list of related parties under IAS 24 "Related Party Transactions" is as follows:

- The Directors of the Fund and their dependents
- The Investment Managers - J.P. Morgan Investment Management Inc., JPMorgan Asset Management (Asia Pacific) Limited, JPMorgan Asset Management (Japan) Limited and JPMorgan Asset Management (UK) Limited
- The Management Company - JPMorgan Asset Management (Europe) S.à r.l.
- The Secretary of the ICAV - J.P. Morgan Administration Services (Ireland) Limited
- The securities lending agent - J.P. Morgan SE - Luxembourg Branch
- JPMorgan Liquidity Funds
- JPMorgan Chase & Co. and its subsidiaries.

The Board of Directors is not aware of any transactions with related parties during the six month period ended 30 June 2026 and 30 June 2025 other than those disclosed in these financial statements.

As at 30 June 2026 and 31 December 2025, certain Sub-Funds had made investments in JPMorgan Liquidity Funds which is deemed to be related party of the ICAV. Details of investments in JPMorgan Liquidity Funds are outlined in Sub-Funds' Schedules of Investments. The table below and overleaf details the percentage of net assets of JPMorgan Liquidity Funds held by each Sub-Fund as at the reporting date:

13. Commission sharing arrangements

The Investment Managers may enter into commission sharing arrangements only where there is a direct and identifiable benefit to the clients of the Investment Managers, including the ICAV, and where the Investment Managers are satisfied that the transactions generating the shared commissions are made in good faith, in strict compliance with applicable regulatory requirements and in the best interests of the ICAV and the Shareholders. Any such arrangement must be made by the Investment Manager on terms commensurate with best market practice. Due to their local regulatory rights, certain Investment Managers may make use of soft commission to pay for research. Other jurisdictions may have other arrangements in place to pay for such services in accordance with local regulatory obligations.

During the six month period ended 30 June 2026 and 30 June 2025, the following Sub-Funds paid soft dollar commissions attributed to research:

Sub-Fund	For the six month period ended 30 June 2026 USD	For the six month period ended 30 June 2025 USD
US Equity Active UCITS ETF	2,276	909
US Growth Equity Active UCITS ETF	19,730	677
US Value Equity Active UCITS ETF	13,031	1,437

14. Efficient portfolio management

The ICAV may employ investment techniques and use Financial Derivative Instruments ("FDI") for efficient portfolio management of the assets of any Sub-Fund including hedging against market movements, currency exchange or interest rate risks subject to the conditions and within the limits laid down by the Central Bank and the Prospectus. The ICAV did not employ any efficient portfolio management techniques in the form of investment in repurchase or reverse repurchase agreements during the six month period ended 30 June 2026 and 30 June 2025. The information on securities lending transactions entered by the ICAV during the six month period ended 30 June 2026 and 30 June 2025 are detailed in Note 16 and the Securities Financing Transactions appendix.

The use of FDI by any Sub-Fund for investment purposes or for efficient portfolio management will be described in the Relevant Supplement to the Prospectus. In this context, efficient portfolio management means the reduction of risks, including the risk of tracking error between the performance of a Sub-Fund and the performance of the Index tracked by the relevant Sub-Fund, the reduction of costs to the ICAV, the generation of additional capital or income for the ICAV and hedging against market movements, currency exchange or interest rate risks, subject to the general restrictions outlined in the "Investment Restrictions" section of the Prospectus. To the extent that a Sub-Fund uses FDI, there may be a risk that the volatility of the Sub-Fund's Net Asset Value may increase.

15. Commitments and contingent liabilities

There were no significant commitments or contingent liabilities as at 30 June 2026 and 31 December 2025.

16. Securities lending

The Sub-Fund may lend portions of its securities portfolio to third parties for the purpose of generating additional income or for reducing costs, to the maximum extent allowed by and within the limits set forth in the securities lending agency agreement.

A significant proportion of the income generated from the securities lending program is credited to participating Sub-Funds, with a portion of the income being paid to the securities lending agent of the ICAV for its role. Borrowers of securities lent by participating Sub-Funds are approved by the Management Company after appropriate assessment of such borrowers' status and financial standing. The Management Company waives the incremental income received from the portion of income generated from the securities lending program, for its oversight of the program; hence, 90% of any incremental income earned from the securities lending is accrued to the applicable Sub-Fund, whilst the remaining 10% income is paid to the securities lending agent which arranges the transaction. The net income earned from the securities lending program is detailed in the Statement of Comprehensive Income.

For each loan of securities the securities lending agent accepts cash and non-cash collateral on behalf of the ICAV participating in the Securities Lending Programme. Non-cash collateral is limited to securities issued or fully guaranteed by the United States government or issued and unconditionally guaranteed by any agencies thereof or issued or fully guaranteed by any of the G-10 sovereigns and common stocks listed on developed countries indices.

The securities lending agent of the ICAV is J.P. Morgan SE - Luxembourg Branch.

Valuation of securities on loan and received collateral as at 30 June 2026 and 31 December 2025 is detailed below:

The CBI requires a schedule of material changes in the composition of the portfolio during the period. These are defined as aggregate purchases of a security exceeding one per cent of the total value of purchases for the period and aggregate disposals greater than one per cent of the total value of sales. At a minimum the largest 20 purchases and 20 sales must be given or all purchases and sales if less than 20. A full listing of the portfolio changes for the period is available, upon request, at no extra cost from the Administrator.

Jefferies	United States of America
UBS	Switzerland

Settlement and clearing

All Sub-Funds engaged in securities lending agreements utilise bi-lateral settlement and clearing with their respective counterparty.

Reuse of collateral

Share of collateral received that is reused and reinvestment return

Non-cash collateral received by way of title transfer collateral arrangement in relation to securities lending transactions, reverse repurchase agreements and OTC derivative transactions, cannot be sold, reinvested or pledged.

Securities lending transactions
As at the period end, all of the cash collateral received in respect of securities lending was re-invested into Reverse Repurchase Transactions with high quality government bonds as collateral. This is managed by the Securities Lending Agent based solely on the approved guidelines and agreement issued by JPMorgan Asset Management (Europe) S.à r.l..

Income earned by the Sub-Funds from the reinvestment of cash collateral, net of any interest payable to the relevant counterparty, amounted to USD 92,328 for the six month period ended 30 June 2026 and is recorded under the "Securities lending income" in the Statement of Comprehensive Income.

Details relating to the permitted reuse of cash collateral are disclosed in the latest Prospectus available from https://am.jpmorgan.com/ie/en/asset-management

Safekeeping of Collateral

Collateral received

Securities lending transactions
All collateral received , if any, is held at J.P. Morgan Chase Bank ("JPM") in its capacity as tri-party collateral manager in an account designated as client assets on JPM's books and records and therefore segregated from those of the borrower, J.P. Morgan SE and the tri-party collateral manager.

Collateral granted

Securities lending transactions
As at the reporting date, there was no collateral granted with respect to securities lending transactions.

Return and cost

Securities lending transactions
The total income earned from securities lending transactions is split between the relevant Sub-Funds and the securities lending agent. Detail of this split is disclosed in Note 16 to the Financial Statements.

5. UCITS Remuneration Disclosures

JPMorgan Asset Management (Europe) S.à r.l. (the "Management Company") is the authorised manager of JPMorgan ETFs (Ireland) ICAV (the "Fund") and is part of the J.P. Morgan Chase & Co. group of companies. In this section, the terms "J.P. Morgan" or "Firm" refer to that group, and each of the entities in that group globally, unless otherwise specified.

This section of the semi-annual report has been prepared in accordance with the Undertakings for Collective Investment in Transferable Securities (the "UCITS Directive") and the 'Guidelines on sound remuneration policies' issued by the European Securities and Markets Authority under the UCITS Directive. The information in this section is in respect of the most recent complete remuneration period ("Performance Year") as at the reporting date.

Remuneration Policy

A summary of the Remuneration Policy applying to the Management Company (the "Remuneration Policy") can be found at https://am.jpmorgan.com/lu/en/asset-management/adv/funds/policies/ (the "Remuneration Policy Statement"). This Remuneration Policy Statement includes details of how remuneration and benefits are calculated, including the financial and non-financial criteria used to evaluate performance, the responsibilities and composition of the Firm's Compensation and Management Development Committee, and the measures adopted to avoid or manage conflicts of interest. A copy of this policy can be requested free of charge from the Management Company.

The Remuneration Policy applies to all employees of the Management Company, including individuals whose professional activities may have a material impact on the risk profile of the Management Company or the UCITS Funds it manages ("UCITS Identified Staff"). The UCITS Identified Staff include members of the Board of the Management Company (the "Board"), senior management, the heads of relevant Control Functions, and holders of other key functions. Individuals are notified of their identification and the implications of this status on at least an annual basis.

The Board reviews and adopts the Remuneration Policy on an annual basis, and oversees its implementation, including the classification of UCITS Identified Staff. The Board last reviewed and adopted the Remuneration Policy that applied to the 2025 Performance Year in June 2025 with no material changes and was satisfied with its implementation.

Quantitative Disclosures

The table below provides an overview of the aggregate total remuneration paid to staff of the Management Company in respect of the 2025 Performance Year and the number of beneficiaries.

Due to the Firm's structure, the information needed to provide a further breakdown of remuneration attributable to the Company is not readily available and would not be relevant or reliable. However, for context, the Management Company manages 50 Alternative Investment Funds (with 55 Sub-Funds) and 6 UCITS (with 195 Sub-Funds) as at 31 December 2025, with a combined AUM as at that date of USD 25,038m and USD 643,753m respectively.

	Fixed remuneration	Variable remuneration	Total remuneration	Number of beneficiaries
All staff (USD '000s)	59,322	36,179	95,501	378

No performance fee was paid to any employees by JPMorgan ETFs (Ireland) ICAV in the year.

The aggregate total remuneration paid to UCITS Identified Staff in respect of the 2025 Performance Year was USD 173,513k, of which USD 9,824k relates to Senior Management and USD 163,689k relates to other UCITS Identified Staff[1].

(1) The Identified Staff disclosures includes employees of companies to which portfolio management has been formally delegated, in line with the latest ESMA guidance.
