This document is marketing material. For Investors in Austria. Investors should read the KIID/PRIIPs document and prospectus prior to investing, and should refer to the prospectus for the funds full list of risks.

FUND OVERVIEW
The Fund seeks to track the performance of an index consisting of approximately 100 companies ranked based on their Diversity, Inclusion, People Development and News Controversies values.

- KEY BENEFITS**
- Competitively priced and diversified access to companies that demonstrate high levels of Diversity, Inclusion and People Development, and low News Controversy.
 - Invest in next generation companies across developed and emerging markets, that have the potential to foster innovative environments leading to long-term growth.
 - Use to diversify a global equity portfolio and gain exposure to a long-term potential growth trend.

CAPITAL AT RISK: The value of investments and the income from them can fall as well as rise and are not guaranteed. Investors may not get back the amount originally invested.

- KEY RISKS:**
- Investment risk is concentrated in specific sectors, countries, currencies or companies. This means the Fund is more sensitive to any localised economic, market, political, sustainability-related or regulatory events.
 - The value of equities and equity-related securities can be affected by daily stock market movements. Other influential factors include political, economic news, company earnings and significant corporate events.
 - Counterparty Risk: The insolvency of any institutions providing services such as safekeeping of assets or acting as counterparty to derivatives or other instruments, may expose the Share Class to financial loss.

iShares plc, iShares II plc, iShares III plc, iShares IV plc, iShares V plc, iShares VI plc and iShares VII plc (together 'the Companies') are open-ended investment companies with variable capital having segregated liability between their funds organised under the laws of Ireland and authorised by the Central Bank of Ireland.

Further information about the Fund and the Share Class, such as details of the key underlying investments of the Share Class and share prices, is available on the iShares website at www.ishares.com or by calling +44 (0)845 357 7000 or from your broker or financial adviser. The indicative intra-day net asset value of the Share Class is available at <http://deutsche-boerse.com> and/or <http://www.reuters.com>. A UCITS ETF's units / shares that have been acquired on the secondary market cannot usually be sold directly back to the UCITS ETF itself. Investors who are not Authorised Participants must buy and sell shares on a secondary market with the assistance of an intermediary (e.g. a stockbroker) and may incur fees and additional taxes in doing so. In addition, as the market price at which the Shares are traded on the secondary market may differ from the Net Asset Value per Share, investors may pay more than the then current Net Asset Value per Share when buying shares and may receive less than the current Net Asset Value per Share when selling them.

For investors in Austria: This document is marketing material. The funds mentioned in this document are registered for public offer in Austria. The Sales Prospectuses for the Companies, Key Investor Information Document and other documents as well as the annual and semi-annual reports have been published in Austria and are available free of charge from UniCredit Bank AG Vienna Branch, Julius Tandler Platz 3, 1090 Vienna, Austria, the Austrian paying and information agent and are also available on the website www.blackrock.com/at and are available in German and English. Any decision to invest must be based solely on the information contained in the Company's Prospectus, Packaged Retail and Insurance-based Investment Products Key Information Document (PRIIPs KID) and the latest half-yearly report and unaudited accounts and/or annual report and audited accounts. Investors should read the fund specific risks in the Packaged Retail and Insurance-based Investment Products Key Information Document (PRIIPs KID) and the Company's Prospectus. The Companies intend to fulfil the requirements for treatment of all of their sub-funds as reporting funds. Therefore the Companies have an Austrian tax representative who calculates the Austrian Deemed Distributed Income figures once a year and files an electronic tax return with the Austrian Control Bank. However, it cannot be guaranteed that the requirements will be met in the future. The Companies reserve the right to give up the reporting fund status and to not undertake such tax filings.
